

Industrial & Commercial Surface Solutions

A Midleton, Co. Cork based company Resicrete are specialist installers of epoxy, polyurethane and polymer resin systems.

We offer the most up to date technology to offer solutions to everything from slippery surfaces to heavy industrial and chemical surface protection.

Our range of decorative coatings offer an attractive yet extremely hard wearing solution for commercial floors and our ability to incorporate a logo or design feature make our floors very unique.

Resicrete also offer a full range of exterior surface coatings.
