Resicrete have the perfect solution to renovating and transforming dull grey concrete.

With our spray system (see above) and our pebble quartz system (see left) a variety of designs, textures and colours can be achieved to suit any surroundings.

By only adding 3-4mm to the existing surface your concrete can be transformed into a stylish new look.

- Oil & Stain Resistant
- Mildew Resistant
- Slip Resistant
- Strengthens & Protects Your Concrete
- Unique Colours & Designs
